- The Co-curricular activities and cultural activities of the college have benefitted students to find a place for themselves in the field of theatre, Cinema, media and sports.
- The recent trends indicate that the stakeholders are seeking newer pastures other than professional courses alone and the College envisions enabling the students to enter non-conventional professions
- To organize more industry-institution collaborative.

CHALLENGES:-

- The institution has been established on the basis of Gandhian principles and hence has not concentrated much on revenue generating courses.
- Attracting highly qualified faculty and retaining them has been a great challenge with the moderate revenue of the institution.
- Creating employment opportunities with traditional courses and making them relevant in the competitive job market is a great challenge.
- Developing Research centre and employing competent faculty for the same has been a great challenge.
- Competition from neighbouring colleges.
- The demand for PG Courses has also been fluctuating
- Diversification of courses has brought along with it new problems related to infrastructure and teaching faculty.

8. Plans of institution for next year
