ABOUT COLLEGE

The National College, Jayanagar, Bangalore established in 1965 has been accredited 'A' Grade by NAAC. It is a coeducational institution running 12 graduation and 03 post graduation courses. (For more details visit us at www.ncjayanagar.com)

ABOUT THE WEBINAR

The basic idea is to create a network for the scientists, innovators, professionals and aspirants in Materials Science. Webinar acts as suitable platform that connects an individual with international delegates who have expertise at their respective fields. The battle against the pandemic virus SARS COV 2 (aka Covid19) should not hamper the academia and research environment. The thirst to acquire knowledge can thrust to solve problems as this generation trusts explicitly on technology.

#StayHome #Stay Safe and #LearnAtHome.
