Report of the activities of the Department of Computer Science
For the academic year 2019-20

SOFT SKILLS DEVELOPMENT

Soft Skills Development was conducted on 3rd of August 2019 as the very first pre-placement activity for the year 2019-2020. It was conducted by Mr. Sudesh Kumar who is currently working as a Manager-Seller Solutions at redBus – a goMMT group company.

Having worked as a Technical Account Manager – PreSales at Akamai Technologies – the world's largest Content Delivery Network, Mr. Sudesh has been extremely focused on personality development and has won total of 60 best managers and stress interviews in the period of 2009-2015.
