ACKNOWLEDGEMENT

Hyperledger Fabric Blockchain based Passport Status Application project is a unique project using the important AWS Services. Our tribute for the successful completion of the project goes to all those who helped through their constant guidance and encouragement. The satisfaction that accompanies the success would be incomplete without thanking the person who made it.

We are thankful to our beloved Principal **Dr. B Suresha** who encourages us to come with new and innovative ideas and for providing the environment with all facilities for completing the project.

We are also grateful to our Head of the Department **Prof. Asha T S** Department of Computer Science for her valuable guidance and constant support during our project development.

We are also grateful to our project guide **Prof. VARADARAJ R** lecturer Department of Computer Science for his valuable guidance and constant support during our project development.

A special thanks to **MUTHURAM GOVINDARASU** CEO and Founder of Indigeneous Tech Private Limited, Bangalore-32 with vast years of experience in Blockchain for his valuable guidance and technical support for our project.

We extend our thanks to all our teaching staffs of the Department of Computer Science. Finally, we thank one and all who helped us directly and indirectly for the completion of our project.
