Internship Certificate

To whom it may concern

This is to certify that **Anand V** has completed an internship with us in the data science department from 23rd March 2023 to 31st July 2023.

Anand proactively took on tasks, worked diligently on the tasks assigned to him, and completed them on time. Anand showed great inquisitiveness, consistently delved into new technologies, and demonstrated both skill and initiative.

We believe Anand has a great future ahead of him, and we highly recommend Anand V for future data science opportunities.

Sincerely,

Aditya Chhabra
