Autonomous NAAC accredited 'A' Grade

Jayanagar, Bangalore-70

Department of Chemistry

2022-23.

Proceedings of the meeting of Board of studies in Chemistry held on Friday October 2022.

The Chairman extended a hearty welcome to the members of the Board and placed the following agenda for discussion.

1. Scrutiny and approval of draft CBCS syllabus for III and IV semester B.Sc. Chemistry.
2. Scheme of both Theory and Practical Examination.

The rules and regulation of examination and promotion of students were explained in detail to the members. Members were informed that the department has completed 16 years of Autonomous and thirteen batches of students have come out successfully in this stream.

The members discuss the CBCS syllabus of III & IV semester, theory as well as practicals.

The syllabus which was drafted in one of the earlier meeting, keeping in view of Bangalore University Syllabus & National Policy of Education. After incorporating modifications suggested by the members, the Board approved the syllabus for III and IV semester.

The revised CBCS syllabus for III and IV semesters will come into effect from the academic year 2022-23.

The pattern of question paper for all semester is for 150 Marks, Theory 60 Marks, Internal assessment 40 marks, Practical 50 marks, Practical examination 25 marks and internal assessment 25 marks.

The chairman expressed heart full thanks to the members for their active participation, fruitful discussion and valuable guidance for arriving at the final CBCS syllabus of III and IV semester B.Sc.
