

THE NATIONAL COLLEGE

Jayanagar, Bangalore - 70

Department of Chemistry

Career Counseling

A Report on “CAREER COUNSELING ” conducted by the Department of Chemistry, National College, Jayanagar.

On 27-05-23 career counseling program was organised by the Department of Chemistry. The career counseling was conducted from 11 a.m. to 1 p.m.

The career counseling had two sessions. In the first session **Sri. Srinath Joshi, IPS, Lokayuktha** was invited as the speaker. He gave a motivational speech on various opportunities in science and explained the importance of civil service exams and guidelines for preparations.

In the second session Dr. Prasanna SM, a senior scientist in BIOCON was invited as speaker. He gave a very informative talk on career opportunities in the field of research in Chemistry.

Students from all three semesters of B.Sc. (PCM) participated and enjoyed the lectures.
