Department Of Electronics

Educational Visit
on

7th September, 2022

Department of Electronics, National College, Jayanagar, Bengaluru organized an educational visit to Visvesvaraya Industrial and Technological Museum, Bengaluru, for sixth semester B.Sc Electronics students on 7th September 2022 .

The visit proved to be a great way to arouse curiosity in the minds of school students and was a thrilling and motivating

The students took a tour of the following galleries- electronics, electrical, space science and Mechanical engineering. The galleries showcased a plethora of exhibits that covered various topics. Ic Fabrication process, working of GPS, basic logic circuits, RADAR and many more. The students watched a movie showing the history and development of Electronics. Watching the movie was a great learning experience. The Museum provided a whole world of wonder and amazement with large number of interactive ‘hands on’ exhibits. The students were excited to observe certain exhibits which had similarity to their curriculum. Many exhibits caught the attention of students instantly and they thoroughly enjoyed being part of these fun filled activities.
