**DEPARTMENT OF ECONOMICS**

**Report of Learning Enhancement Activity**

The Department of Economics had organized a project based on learning activity as a part of innovative teaching on 4<sup>th</sup> of February 2022 at 2.30 PM.

A group of six students of V Semester B.A was assigned a project on the topic 'Impact of pandemic on India's international trade'. The students collected data from various sources for the presentation, and presented the same. Nishikha, L., presented on the international trade of India, followed by Divyashree, M., presented on the major imports and exports of India. Continuing Prabhudev spoke on the major trade partners of India, Sneha, M., presented the information on the effects of pandemic on trade and lastly, Adithya Das concluded the presentation with the path to recovery of trade in post covid era. The presentation was technically supported by Sundar, R.

The activity allowed the students to demonstrate their capability in the research, ability to work with peers, and. It was an enriching experience for the students.

**Dr. Nagachampa Jain**, Head of the Department of Economics organized and guided the students in this activity.
